President's Message

Greetings Federation Members and Neighbors:

The Federation would like to wish you and your community best wishes for the New Year.

We thank you for staying connected, sharing information from your community, and promoting discussions. This was the topic of our December meeting and the ideas and information which was shared between different communities in attendance was greatly appreciated and most useful.

Although we are well into our membership year, a New Year usually signals renewed energy and engagement for the community and your Federation.

Sadly, we just heard of the passing of yet another Federation Past President - Mr. Herb Harris. This past fall took its toll upon some great county citizens, with Jean Packard and Bill Hanks joining Herb. Most definitely, they are all looking down upon us as they have their own version of the Fairfax County Federation COY Banquet as they are all Citizens of the Year!

CITIZEN OF THE YEAR (COY) - HAVE YOU NOMINATED ANYONE YET?

The Federation's signature event, the Citizen of the Year Banquet, is being organized by Tania Hossain, in her role as Past President. Tania has reported some most exciting details of the COY Banquet, which will be SUNDAY, May 3rd at the Tysons Corner Crowne Plaza. This is a great opportunity to highlight and recognize a well deserving volunteer in our community. More information, including a nomination form is available on our website <http://www.fairfaxfederation.org/coy1.htm>. If you have any questions or need more information, please kindly contact Tania at FedPastPres2015@fairfaxfederation.org.

All these activities only happen when people take the time out of their busy schedules and join together. The Federation is lucky to have so many dedicated individuals willing to work for a better Fairfax County. Look at our various committees and activities and see if there's a place for you to join as a participant. A list of our standing committees and representative positions through which the Federation supports other worthy countywide organizations is found at:

<http://www.fairfaxfederation.org/contactus1.htm>.

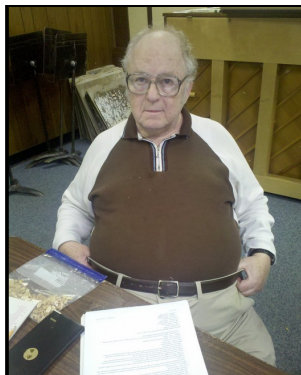

We'd welcome you with open arms.

May all our Federation members have a safe, healthy and the most Joyous of New Years.

Best regards, Tim

Bill Hanks, Past President, R.I.P.

The Federation's long-time friend, William W. Hanks, died on December 11, 2014, at the age of 81. Bill was president of the Federation in 1984, but has served in many other capacities since then, including being on the Resolutions and Audit committees for the past few years. He was the unofficial parliamentarian for the Federation and ensured that the Federation followed its Bylaws. He was the Federation's representative to AHOME (Affordable Housing Opportunity Means Everyone), where he was a constant advocate for affordable housing. We will miss his friendship, his sage advice and great work ethic.

Bill graduated from the University of Michigan, was active in the Republican Party in the Grand Rapids area, and moved to the D.C. area for a job at the Department of Health, Education, and Welfare. He met his wife at a Young Republicans event held at Michigan State University. His wife predeceased him by several years.

Bill's son, John, continues the family tradition, serving as the Federation's liaison to the County's Information Technology Policy Advisory Committee.

Herb Harris, Past President, R.I.P.

Herb Harris, Federation President in 1958, died on December 22 at the age of 88. Herb went on to become the Mount Vernon Supervisor and U.S. Representative from Virginia for the 8th District (1974-1980). Tania Hossain, Federation president 2010-2013, claimed Herb as a dear friend and unwavering mentor. Herb led her to the Federation.

On the Board of Supervisors and in Congress, he was one of the early leaders on the design and construction of the Metro, brought Inova Mount Vernon Hospital to the area, passed legislation authorizing construction of Quantico National Cemetery, and pushed for the modernization of the sewer system in long time underserved African American neighborhoods in the Mount Vernon part of Fairfax County.

Herb's funeral Mass was held at 10:00 am on January 5 at Good Shepherd Catholic Church. Interment followed at 1:00 pm at Quantico Veterans Cemetery with military honors.

Hearings on the Virginia Budget

This year the General Assembly will meet from January 15 to February 28. The budget will be perhaps the most important item on the agenda. Public hearings on the budget are planned.

On Wednesday, January 7, 2015, starting at 10 am, the House Appropriations and Senate Finance Committees of the Virginia General Assembly held regional public hearings on the governor's proposed 2014-2016 biennial state budget. The purpose of the hearings was to receive comments on the Governor's [proposed amendments](#) to the 2014-16 biennial state budget. Those persons wishing to speak registered at each hearing site no earlier than one hour prior to the start of the hearing. Speakers are taken in the order of registration. Each person may register only one speaker at a time. Speakers are asked to limit their comments to three minutes or less. Speakers representing groups and organizations should consolidate remarks to reduce duplication.

The hearings will be conducted in Prince William County at George Mason University, Manassas Campus, Hylton Performing Arts Center, Gregory Family Theater

Persons unable to attend may comment in writing to either: Delegate S. Chris Jones, P.O. Box 406, General Assembly Building, Richmond, Virginia 23218 or Senator Charles J. Colgan and Senator Walter A. Stosch, P.O. Box 39, General Assembly Building, Richmond, Virginia 23218.

Senator Howell has informed us that other hearings will also be held:

Thursday, January 8, with Delegate Ken Plum from 7:30 to 9:00 pm at the Reston Community Center - Hunters Woods Center, Reston, VA

Saturday January 10 with the Fairfax County delegation from 9:00 am to close at the Fairfax County Government Center, 12000 Government Center Parkway, Fairfax, VA

Saturday, January 18 with the McLean & North Arlington delegation from 2:30-4:30 pm at the McLean Community Center, 1234 Ingleside Avenue, McLean VA.

Additional information can be found at <http://sfc.virginia.gov/>.

Board of Supervisors Response on Route 1

John Cook, Braddock District Supervisor and Jeff McKay, Lee District Supervisor, sent the Federation letters of appreciation for the support the Federation's resolution gave them on the Route 1 Phase 2 Multi-Modal Transportation study. They promised to work diligently to get the state to fund Phase 2.

New on the Federation Website

Home page: Memorials were added for Bill Hanks and Herb Harris.

Environment: The links for the Cankerworm resolution and cover letter were added.

Public Safety: The link was added to the charts for the Nov 20, 2014, presentation on Emergency Preparation.

Transportation: The links for the Route 1 resolution and cover letter were added.

David Albo's Response on Legislative Package

On November 1, Delegate David Albo responded by email from his cell phone to the Federation's Legislative package in a refreshingly brief and direct way.

1. He is for limiting cell-phone use to hands-free operation while driving. We will need 100+ letters or emails to delegates and senators. These must be from the delegates' and senators' constituents. The cell-phone providers are in adamant opposition. They don't think their technology should be treated differently from machines embedded in dashboards.
2. A tobacco tax probably has no chance of being enacted. We have already increased taxes on cigarettes.
3. He supports allowing schools to start when they want, as long as it does not result in more days off during the year.
4. Changing the LCI would be great, but so many districts benefit from it, that it will be difficult to change. Note, however, that the LCI has been good to Fairfax lately. Since 2007, we are getting \$400 more per student, while other areas have gotten cuts.
5. We are working on a construction-debris recycling bill.
6. He will not vote for a plastic bag tax.
7. He co-wrote the NOVA transportation bill last year, so he is with the Federation on that issue.
8. The Iowa redistricting bill is easy to implement in Iowa where everything is square. In Virginia, we have lots of water and irregularly shaped land masses. In addition, lowans don't have to create majority/minority districts, whereas Virginians do.

David thanked the Federation for getting the resolution to him. He was a Federation representative in the late 80's!

Report from the Library Committee

Mr. Sam Clay, Director of Libraries, Fairfax County Public Library, addressed the Federation's Board at its annual dinner on December 4, 2014. He defended the current library policies, especially with regard to the [published procedures](#) for culling books. If a book is not checked out for two years, it becomes a candidate for culling. He explained that the Beta Plan, which the Federation opposed, had not been terminated by the Board of Supervisors. (In its Nov 1, 2013, [report](#), the Library's Ad hoc Communication and Evaluation Committee recommended that the Beta Plan be rejected. On Nov 19, 2013, the BOS called for a report from the library at the first BOS meeting in January 2014 on the recommendations of the Library committee. (See Pp 5 to 9 of the [summary](#) of the BOS meeting.) We find no evidence that such a report was ever submitted in all of 2014.

In response to a Sept 18, 2014, Federation resolution, Board of Supervisors Chairman, Sharon Bulova, called for an audit of the library gift fund. Her official statement implied that the Federation also called for an audit of the Friends of the Library; however, at the next BOS meeting she will clarify that auditing the Friends was not the Federation's idea.

Current Federation Members

Federation members as of December 26, 2014, are listed below by district. The phrase "Grace Period" is appended to associations whose membership expired June 30, 2014. The six-month grace period during which tardy renewals were allowed to vote at membership meetings ended December 31, 2014. I urge the lapsed members to renew using the online application at <http://www.fairfaxfederation.org/membership1.htm>.

I encourage current members to reach out to members of other associations with whom you interact at district councils and other venues. Tell them about the Federation and encourage them to check out our website. Tell them they may contact me. The more members we have, the more synergy we can muster to address issues of concern to homeowners and residents.

As a bonus incentive, new members who pay the normal annual dues will be enrolled through June 30, 2016!

2016 County Budget

The Federation will be considering the County and school budgets in February and March of 2016.

According to its website, Fairfax County is facing budget shortfalls due to the tepid recovery in the residential and commercial real estate markets and increasing spending requirements. In addition, the ripple effects of federal and state budget issues continue to impact county revenue, including sales tax receipts, the Business, Professional and Occupational License (BPOL) tax and hotel taxes.

Fairfax County Executive Edward L. Long is scheduled to present his multi-year FY 2016-2017 budget plan at the Feb. 17, 2015, Board of Supervisors meeting. Fairfax County Public Schools (FCPS) Superintendent Karen K. Garza is scheduled to release her proposed FY 2016 budget plan on Jan. 8, 2015.

[Slides](#) from the November 25, 2014, joint meeting between the Board of Supervisors and the School Board show that an increase in county expenditures of 4.93% is planned. (Inflation is expected to increase less than 2% and population, less than 0.7%.) The largest increase in expenditures will be for employee compensation, which will increase more than 4%. Despite a projected 3% increase in residential real-estate values, the county budget shortfall is expected to be approximately \$100M, or \$250 per household. When combined with the increase in real-estate values, this shortfall will require that residential taxes increase more than 7%, approximately the same as the residential tax increase in FY2015.
