After discussion, Jeff Parnes offered an amendment in the nature of a substitute: “Federation should work with League of Women Voters to arrange candidate forums for each Congressional District and one for U.S. Senate, such that all forums will invite all candidates on the ballot, and will invite Washington Post Radio, WTOP, and Channel 8 to do live broadcasting.” This was unanimously approved as a SUBSTITUTE. This was also unanimously approved as the MAIN MOTION.

Meeting was adjourned at 9:55 pm
