TO:

Chairman Gerald E. Connolly

Fairfax County Board of Supervisors

FROM:

John Jennison, President

SUBJECT:

Resolution on Parking Restrictions

Dear Chairman Connolly:

The Fairfax County Federation of Citizens Associations undertook a detailed review of the problems of commercial vehicles parking in residential districts.

A draft resolution was created by our transportation committee that reported it out to the board of directors. The resolution was reviewed and debated at our board meeting, published in our newsletter, reviewed and discussed at the September 21, 2006 membership meeting, and finally approved by an open vote of said membership. A copy of the resolution is enclosed.

I believe The Federation shares the Board of Supervisors' commitment to quiet and safe residential enjoyment of neighborhoods with reasonable appreciation of the rights of residents and property owners. We would be happy to meet with you to discuss this resolution in further detail if you so wish.

Sincerely yours,

John N. Jennison
